About Me

I'm a freshman at the College of Engineering. I'm a native New Yorker, my intended major is Computer Science, and I'm passionate about open source and social justice. Naturally, I have my own views on copyright, but I'm going to stick to the facts as much as possible.

Copyright in the U.S. Constitution

“[The Congress shall have Power] To promote the Progress of Science and useful Arts, by securing for limited Times to Authors and Inventors the exclusive Right to their respective Writings and Discoveries.”

—Article I, Section 8, Clause 8
